WARNING

This manga may appear to be confusing, but it's supposed to be an artistic type, not the regular shoujo type of manga.
Think of it as a web comic.

About Leann

Hello! So I'm Leann and the founder of Dreaming Scanlations. Uh...well I started the group because I felt that all the project I want to read isn't being pick up, so why not pick it up myself? I can't actually do it without a team so yeah...that's where we are now.

I'm a fan of bishies ; like who aren't? But I also like them in yoi...*grins* I feel like a perv sometime while I read those. LOL I love drawing and manga in general because the art is wonderful. Also I love dubbing the manga~ I force Janni ; one of our staff you see later to do it with me and she sorta hate me for that. Oh no...out of room. 'Til next time people.

Leann
